A training session is in the works for volunteers to help in the sound booth during our Worship Celebration and Fusion services. This will include running our video, sound and Power Point/Song Show Plus presentations. If you are interested, please let Pastor Daniel or the Church office know. This is a VERY important part of our worship experience so please consider volunteering.

Communion servers are also needed to help out once a month taking communion to our Home-Bound members. Again, please let the Church office know if you can help out.

Dear Partners in Ministry,

I am thankful to God for the many ways you have blessed your churches and mission fields. Let me share with you another way you can get involved in making a difference in young people's lives.

The UTEP Wesley Foundation has been revived through prayer filled effort of the Board of Directors. Brian Townsend was hired as the part-time director of the UTEP Wesley Foundation in 2017. His efforts have built a small group of faithful students who meet for weekly bible study on Thursdays.

UTEP Wesley Foundation is the presence of God's love for all college students in the El Paso area. For this ministry to truly thrive and grow, your help is needed.

- \* Board members are needed to help direct, encourage, and strengthen the ministry.
- \* Brian would like to establish a lunchtime fellowship that will provide a free lunch and most importantly, introduce students to the mission of the UTEP Wesley Foundation. Churches are needed to provide and serve lunches on a rotating basis. Trinity-First has offered their fellowship hall and kitchen for the first lunches.
- \* Prayers

Please prayerfully consider how you and your church can be a part of this powerful and creative ministry. Please contact Brian Townsend or any board member if you have questions or when you're ready to be the presence of God's love for all college students in the El Paso area.

In God's Service,

Rev. Dr. Eduardo Rivera
